Beaver Creek Coal Company, Trail Mountain #9 Mine,
ACT/015/009, Folder #2, Emery County, Utah

Synopsis

I reviewed information submitted August 5, 1988 in response to my deficiency memo dated May 12, 1988. One issue must be addressed as a result of the recent submittal.

Analysis

Appendix 2 - Operation Plan for Existing Structures - was stated as "missing" in the review and has still not been submitted. The operation plan must include all the requirements for existing structures as outlined in UMC 784.12. This information must be submitted for inclusion in the recompiled PAP.

Recommendation

Beaver Creek Coal Company must submit the required information for UMC 784.12 for inclusion in the recompiled PAP.
