RE: Mid-Term Review Response, Beaver Creek Coal Company, Trail Mountain Mine, ACT/015/009, Folder No. 2, Emery County, Utah

I reviewed the Trail Mountain Mine mid-term review responses (received January 15, 1988). All of my deficiency items in the August 18, 1987 document have been addressed adequately. Beaver Creek Coal Company chose not to recalculate the bond estimate at this time, which is currently satisfactory to the Division.
