Re: Lease Permit Application
Trail Mountain No. 9 Mine
ACT/015/009 ⁴ 2
Emery County, Utah

Dear Ms. Littig:

Enclosed are 4 copies of the Lease Permit Application for the Trail Mountain No. 9 Mine. This application is to expand the permit area to include the new federal lease U-64375, recently acquired from the B.L. M..

The application is submitted as a separate document, but in the same format as the approved permit. The main permit is referenced whenever applicable to reduce duplication. Information submitted in this application is per the outline supplied by the Division (previously used for the Quitchupah Lease Tract Permit). A copy of the outline is also enclosed as a checklist to help facilitate the review.

I appreciate your cooperation and direction in preparing this submittal. If you have any questions, or need any further information, please let me know.

Respectfully,

Dan W. Guy
Mgr. Permitting/Compliance
