Re: Powder Magazine Relocation
Trail Mountain No. 9 Mine
ACT/015/009
Emery County, Utah

Dear Ms. Littig:

Beaver Creek Coal Co. is requesting your approval to relocate the powder and cap magazines at the Trail Mountain No. 9 Mine, as shown on the attached drawings. The magazines will be moved from 50' to 100' north of their present location, set back into the bank and protected by a berm in front. All work will be performed within the existing disturbed area, as shown.

This relocation and additional protection is necessary to keep the storage in compliance with federal law.

We appreciate your cooperation in this matter. If you have any questions, or need any further information, please let me know.

Respectfully,

Dan W. Guy
Mgr. Permitting/Compliance
