Re: Completeness Issues
Federal Lease Application
Trail Mountain No. 9 Mine
ACT/015/009, Folder #2
Emery County, Utah

Dear Ms. Littig:

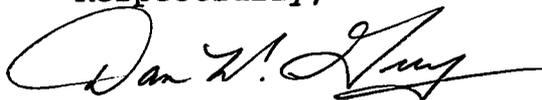

Enclosed are 14 copies of the Beaver Creek Coal Co. response to the Completeness and Technical Deficiency Review on the Trail Mountain No. 9 Mine Lease Permit Application.

All pages and Plates are numbered and should replace corresponding members in the Lease Permit Application Plan. Also enclosed is a checklist to facilitate the review.

In addition, all old rule references have been deleted and annual depletion of surface water has been included in the PAP as requested.

If you have any questions, or need any further information, please let me know.

Respectfully,

Dan W. Guy
Mgr. Permitting/Compliance
