RE: Permit Review and Document Preparation, Federal Lease Addition, Trail Mountain #9 Mine, ACT/015/009, Folder #2, Emery County, Utah

The application for the Federal Lease Tract to be added to the current permit area of the Trail Mountain #9 Mine is required to have a decision within one year in accordance with UAC R614-300-131.113. This permit change was received July 5, 1990. The draft Technical Analysis (TA) should be prepared during the week of April 1, 1991.

This draft TA will be sent to the Forest Service who will then prepare the Environmental Assessment for this project. While the Environmental Assessment is finalized, the decision document will be prepared by the Division to send to OSM-Denver.
