RE: **NOTIFICATION OF TEMPORARY CESSATION OF OPERATIONS,
PACIFICORP, TRAIL MOUNTAIN MINE, ACT/015/009, EMERY COUNTY,
UTAH**

2

Dear Ms. Grubaugh-Littig:

In accordance with State of Utah Coal Mining Rules R645-301-515.320, please be advised that operations at the Trail Mountain Mine will remain in temporary cessation as indicated in the previous notification submitted by Mountain Coal Company.

The extent of underground and surface permitted areas and associated development remain as they were at the time of cessation of Mountain Coal Company's activities.

Only surface and underground compliance activities and minimal mine rehabilitation work will be conducted by PacifiCorp or Energy West personnel through the second quarter of 1993. No coal production is expected during this time.

Please contact me at 653-2312 if you have questions regarding this matter.

Sincerely,

Val Payne
Sr. Environmental Engineer
