Dear Ms. Grubaugh-Littig:

Subsequent to our telephone conversation, enclosed please find preliminary information regarding PacifiCorp's proposed 1993 Drilling Program for Trail Mountain. As we discussed, preparation of the complete drilling application will be submitted prior to the end of 1992. However, completion of an onsite visit by personnel from your agency prior to that time is preferred. Per our discussion, I will continue to work toward November 16 as the date for this visit.

Thank you for your consideration in this matter. I will keep in touch with you regarding this matter should weather or other conditions necessitate changes in this plan.

Sincerely,
