Dear Mr. Guy:

Re: BTCA Amendment, Mountain Coal Company, Trail Mountain Mine, ACT/015/009-92B, Folder #2, Emery County, Utah

The above-noted amendment has been reviewed. There are several deficiencies that must be addressed before the review can proceed. They are: 1) A legible and clear map must be submitted, 2) The "BTCA" methods must be identified for the areas, not a list of choices given, and 3) Clarification must be given as to who will deem vegetation appropriate and what the criteria will be based upon.

Please submit your responses to these deficiencies by September 30, 1992.

Sincerely,

A large, stylized handwritten signature in black ink, appearing to read 'Pamela Grubaugh-Littig'.
