Re: Exploration Drill Holes, Mountain Coal Company, Trail Mountain Mine,
CEP/015/009-91B, Folder #2 and Exploration Folder, Emery County, Utah

The Division has been reviewing this exploration file and noted that the last correspondence that was sent relative to this exploration plan was November 8, 1991. The Forest Service Special-Use Permit was the only outstanding issue remaining for this exploration plan.

Please notify the Division by September 18, 1992 as to the status of this exploration project. Thank you.

Sincerely,
