Dear Mr. Payne:

Re: Permit Transfer, Trail Mountain Mine, ACT/015/009, Folder #2, Emery County, Utah

Through hearsay, the Division has reason to believe that the Trail Mountain Mine may be transferred to PacifiCorp Electric Operations. In accordance with R645-303-124, the Division must "Ensure that no person conducts coal mining and reclamation operations, through the transfer, sale, or assignment of rights granted under permits, without the prior approval of the Division." The permit transfer should be a top priority in this matter if hearsay is correct.

If you have any questions, please call me.

Sincerely,

A handwritten signature in black ink, reading "Pamela Grubaugh-Littig".
