RE: STRAIGHT CANYON DRILL HOLE, PACIFICORP, TRAIL  
MOUNTAIN MINE, ACT/015/009, FOLDER #3, EMERY COUNTY,  
 UTAH

Dear Ms. Grubaugh-Littig:

As you are aware, drilling of the Straight Canyon hole is presently in progress. You are also aware that today is the end of the extension, for this project, granted by you on July 30, 1993.

It appears that drilling may not be completed for another two or three days; however, it is expected that the project will be finished before October 15.

Please consider an additional extension of fifteen (15) days for completion of this project. I will notify you of progress and completion.

Thank you for your consideration in this matter.

Sincerely,

Val Payne

Sr. Environmental Engineer
