RE: **SPRAIGHT CANYON DRILL HOLE, PACIFICORP, TRAIL MOUNTAIN MINE,  
ACT/015/009, EMERY COUNTY, UTAH**

Dear Ms. Grubaugh-Littig:

#2

Pursuant to our telephone conversation today, this letter is submitted as a formal request for an extension for completion of drilling of the Straight Canyon Water Monitoring Well.

As we discussed, the Forest Service is completing archeological clearance for the site. I expect official clearance notification very soon.

It is PacifiCorp's desire to drill the Straight Canyon Monitoring Well in July of this year.

Your consideration in this matter is appreciated. If you have questions, please call me at 653-2312.

Sincerely,

*Val Payne*
