RE: **REQUEST FOR AN AMENDMENT TO CONSTRUCT A STORAGE SHED,  
 PACIFICORP, TRAIL MOUNTAIN MINE, ACT/015/009, EMERY COUNTY,  
 UTAH**

Dear Ms. Grubaugh-Littig:

PacifiCorp requests approval to construct a storage shed at the Trail Mountain Mine. An 8 1/2" x 11" map is enclosed which shows the location and external dimensions. The shed will be constructed on steel I-beams and will be covered with aluminum sheeting.

Please find enclosed seven (7) copies of Pages 3-63, 3-64, 3-66 and 3-69 which have been revised to indicate the increase in reclamation cost. The current bond amount is sufficient to cover the increased reclamation cost of this project; therefore, no adjustment in the bond is required. The Surface Facilities Map, Figure 3-1, will be updated and seven (7) copies will be submitted upon completion of construction, so that the actual placement of the storage shed can be surveyed and identified on the map.

If you have any questions, please feel free to contact Karl Houskeeper or myself at 653-2312.

Sincerely,

Val Payne  
 Sr. Environmental Engineer
