Dear Mr. Harber:

Re: Participation in the Environmental Analysis of Right-of-Way Between Cottonwood/Wilberg Mine and Trail Mountain Mine, Cottonwood/Wilberg Mine, ACT/015/019, Trail Mountain Mine, ACT/015/009, Folder #2, Emery County, Utah

Pursuant to your invitation to participate in the environmental analysis for the above-noted action, the Division would like to be involved. It is my understanding that PacifiCorp is proposing the possibility of using an above-ground tube conveyor as an alternative to the underground right-of-way. Please keep me informed as to meetings, etc. Thank you.

Sincerely,
