Dear Mr. Payne:

Re: End of Temporary Cessation, Trail Mountain Mine, PacifiCorp,  
ACT/015/009, Folder #3, Emery County, Utah

Pursuant to our discussion on February 26, 1993, regarding the underground rehabilitation of the Trail Mountain Mine and the associated surface impacts incident to this activity, it has been determined that this activity constitutes coal mining and reclamation operations. Therefore, it will be necessary to reactivate the "Active Status", upon commencement of the underground rehabilitation activities.

Please notify the Division by letter when temporary cessation has ended. If you have any questions, please call me.

Sincerely,

A handwritten signature in cursive script, reading "Pamela Grubaugh-Littig".
