Dear Ms. Grubaugh-Littig:

Data analysis and completion of the above referenced reports requires more time than previously expected when I requested an extension of the submittal deadline to May 31. An additional two (2) weeks is needed to finish the reports. Please consider a second deadline extension until June 15, 1994.

Thank you for your continued consideration in this matter.

Sincerely,

A handwritten signature in cursive script that reads "Val Payne".
