Re: PIPES AND CONDUIT LINES TO PUMP HOUSE AND WATER TANK, AMENDMENT 93E; PACIFICORP, TRAIL MOUNTAIN MINE, ACT/015/009, EMERY COUNTY, UTAH.

Per your phone conversation today with Karl Houskeeper it is Pacificorp's understanding that the conduit and water lines to the pumphouse and water tank are included in amendment 93E. A cross-sectional view and general location map are enclosed for your information. These lines will also be indicated on the Surface Facilities Map, Figure 3-1, upon completion of this project.

If you have any questions or concerns please feel free to contact Karl Houskeeper or myself at 653-2312.

Sincerely
