Re: **AMENDMENT FOR PARKING LOT PAVEMENT , PACIFICORP,  
 TRAIL MOUNTAIN MINE, ACT/015/009, EMERY COUNTY, UTAH.**

PacifiCorp requests an amendment to allow paving of the parking lot at the Trail Mountain Mine. The location of the pavement project is shown on the enclosed 8½" X 11" drawing.

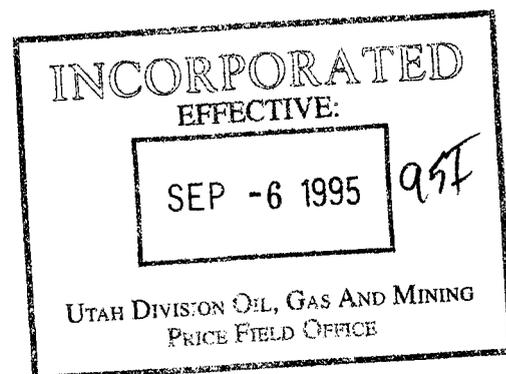

The parking lot is currently constructed of dirt and gravel. The parking lot will be resurfaced with 5" of asphalt.

Pages 3-72.1, 3-76 and 3-81 have been revised to show the reclamation costs associated with the parking lot pavement. The reclamation cost associated with the pavement is \$10,424 (1984 Dollars). The reclamation costs have been escalated to represent 1999 dollars. The total reclamation cost estimate for the Trail Mountain Mine is now \$859,952, which is under the bonded amount of \$1,000,000.

Enclosed is an approval letter from Emery County for the paving of the parking lot.

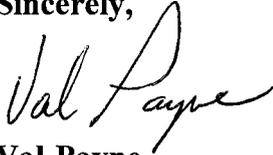

The amendment is within the existing disturbed area. Drainage from this area is treated by the sediment pond.

Please find enclosed fourteen (14) copies of pages 3-72.1, 3-76 and 3-81. Updated copies of Plate 3-1 & Plate 7-5 , showing the parking area, will be sent to the Division upon completion of the parking lot paving.

Your help is greatly appreciated. If you have any questions please feel free to contact Karl Houskeeper at 687-4825.

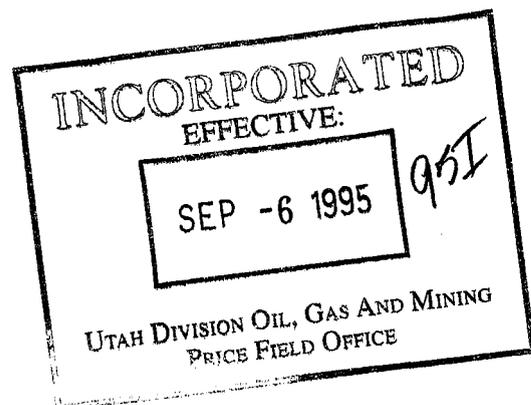

Sincerely,

Val Payne  
Sr. Environmental Engineer
