RE: Draft Review, Permit Renewal, Trail Mountain Mine, PacifiCorp, ACT/015/009,
Working File, Emery County, Utah *#2*

PacifiCorp submitted revised pages to their plan in response to deficiencies found in the renewal review. The first review was completed in December 1994, and a second in January 1995. All hydrology concerns from the previous reviews have been satisfactorily address. This amendment should be approved.
