RE: Amendment to Relocate the Trail Mountain Mine water discharge line,
PacifiCorp, Trail Mountain Mine, ACT/015/009, Emery County, Utah

We have reviewed PacifiCorp's proposal to abandon their four inch water discharge line and replace it with an eight inch water line running from the in-mine sumps to the 100,000 gallon storage tank. We understand the four inch line will be left in place for emergencies. We consent to the amendment.

Please contact Dale Harber or Carter Reed at (801) 637-2817 if you have any questions.

Sincerely,

Janette S. Kaiser
