Dear Mr. Semborski:

The Division has reviewed your December 12, 1997 request to amend the Trail Mountain Reclamation Cost Estimate to reflect the removal of the 1993 exploration drilling costs. Your request is hereby approved. You should provide seven finalized copies of the revised reclamation cost estimate along with the final copies of the rest of the midterm review.

If you have any questions regarding these requirements or the mid term review please don't hesitate to call.

Sincerely,
