Re: Approval of Midterm Review Response, PacifiCorp, Trail Mountain Mine,
ACT/015/009, Folder #3, Emery County, Utah

Dear Mr. Semborski:

The Division has reviewed your October 29, 1997 response to the Midterm review for the Trail Mountain Mine. The information you provided is considered adequate to address the Midterm and is hereby approved, however, it is a redline version and finalized versions will need to be submitted for incorporation into your plan. Please provide seven copies of the information formatted for insertion to your Mining and Reclamation Plan. Upon our receipt of the copies, the Midterm review will be considered completed.

You should be aware that some of the items required by the Midterm were a result of comments from the Forest Service. While the Division may be satisfied with your response there may be additional follow up to satisfy the Forest Service.

If you have any questions regarding these requirements or the mid term review please don't hesitate to call.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock". The signature is written in a cursive style with a large, prominent 'D' and 'H'.
