Re: Removal of Strikeout and Redline in the Approved Amendment, Removal of Exploration Area from the Disturbed Area, PacifiCorp, Trail Mountain Mine, ACT/0150009-97C, Folder #3, Emery County, Utah

Dear Mr. Semborski:

As you are aware the above referenced amendment was approved by the Division on November 3, 1997. Subsequent to the approval a cleaned up version of the amendment was submitted which took out the redline and strikeout in the original submittal. We have stamped the cleaned up version as incorporated and are returning it to you to be inserted to your approved plan. Thank you for your help in completing the process.

Sincerely,
