Re: Approval of Incidental Boundary Change (Effective January 13, 1997), Trail Mountain Mine, PacifiCorp, ACT/015/009-96J, Folder #3, Emery County, Utah

Dear Mr. Semborski:

The incidental boundary change submitted December 20, 1996 is approved for development only as per the BLM letter dated January 10, 1997. Longwall mining is conditioned upon the implementation of the lease modification and approved R2P2. Per the original letter, please sign both permits that include this incidental boundary change and return one to the Division.

Additionally, please submit seven copies of this permit change in a form that can be incorporated into the mining and reclamation plan by February 10, 1997. If you have any questions, please call Daron Haddock or Pamela Grubaugh-Littig.

Yours very truly,

James W. Carter
Director
