Re: Submission of Finalized Version of the Trail Mountain Mid-Term Review, PacifiCorp, Trail Mountain Mine, ACT/015/009, folder #3, Emery County, Utah.

PacifiCorp, by and through its wholly-owned subsidiary, Energy West Mining Company ("Energy West") as mine operator, hereby submits a finalized version of the Trail Mountain Mid-Term Review.

In response to the letter, dated 12/24/97, Energy West has removed the redline from the Mid-Term review response. You will find enclosed seven copies of the Mid-Term for your stamp of approval. This version will complete the Mid-Term review and be incorporated into the existing Mining and Reclamation Plan for the Trail Mountain Mine. ←

Energy West appreciates the prompt attention that the Division gave this review. If there is anything we can do to make the process even more efficient, please let us know.

Sincerely,

*Deni Oakley*
