Re: Compliance Review for Section 510 (c) Findings, Trail Mountain Mine, PacifiCorp, ACT/015/009, Internal File

As of the writing of this memo, there are no NOV'S or COs which are not corrected or in the process of being corrected. There are no finalized Civil Penalties which are outstanding and overdue in the name of PacifiCorp. PacifiCorp does not have a demonstrated pattern of willful violations, nor have they been subject to any bond forfeitures for any operation in the state of Utah.

The OSM recommendation from the Applicant Violator System (AVS) denotes that there is one violation that is outstanding but is currently under a payment plan with OSM, see attached.

Therefore, in consideration of the above information, the recommendation is issue.
