Subject: 3rd Qtr Water Quality Data Input

Pam:

I am planning to start on the 3rd qtr. water quality data input during the first part of December. As you discussed with Doug, I would be happy to invite Dana to come to our office and assist us. Hopefully, with her assistance, we can eliminate some of the problems that we have historically had during the input process. If acceptable, please have Dana contact me as soon as possible so we can schedule some time and tackle this project before the end of the year.

Best Regards

Dennis Oakley
