**RE: Request for On-Site Meeting with PacifiCorp Representatives - September 25, 2008**  
**Trail Mountain Mine, Emery County, Utah**

Dear Messrs. Hoffman, Baza and Player:

PacifiCorp, by and through its wholly-owned subsidiaries, Interwest Mining Company as managing agent and Energy West Mining Company as mine operator, invite you and your representatives to join us for a meeting to discuss permitting and federal coal lease issues of this sealed/idled mine property. Among many topics, the meeting will primarily focus on discussions of our upcoming notification to BLM to partially relinquish mined out acreage from two federal coal leases: UTU-49332 and UTU-64375 (see attached map).

**Messrs. Hoffman, Baza and Player**  
**August 28, 2008**  
**Page 2**

Would you please advise those members of your staff who need to be affiliated with this project as we manage this mine property for future use. Details of the meeting are listed below:

**Place:** *Trail Mountain Mine, (Along side of County Road located in Cottonwood Canyon)  
Emery County, Utah*

**Date:** *Thursday, September 25, 2008*

**Time:** *9:00 A.M.*

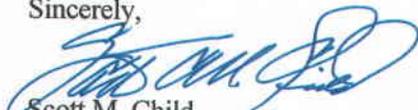

Topics to be addressed include:

- Purpose and events to date
- General discussion on overall disposition
- Delineated areas proposed for partial relinquishment of mined out acreage from the two referenced federal coal leases
- Historical subsidence monitoring information to demonstrate substantial completeness
- On-site review of surface topography and vegetation
- Discussion of ground and surface water
- Time line
- Other
- Lunch will be provided
- It is planned to meet at the mine site in Cottonwood Canyon
- We will be traveling on top of Trail Mountain for an on-site review, weather permitting

We look forward to your participation and would appreciate an RSVP from your respective groups.

Should you have any questions or require additional information, please feel free to contact me at 801-220-4612 or Chuck Semborski at 435-687-4720.

Sincerely,

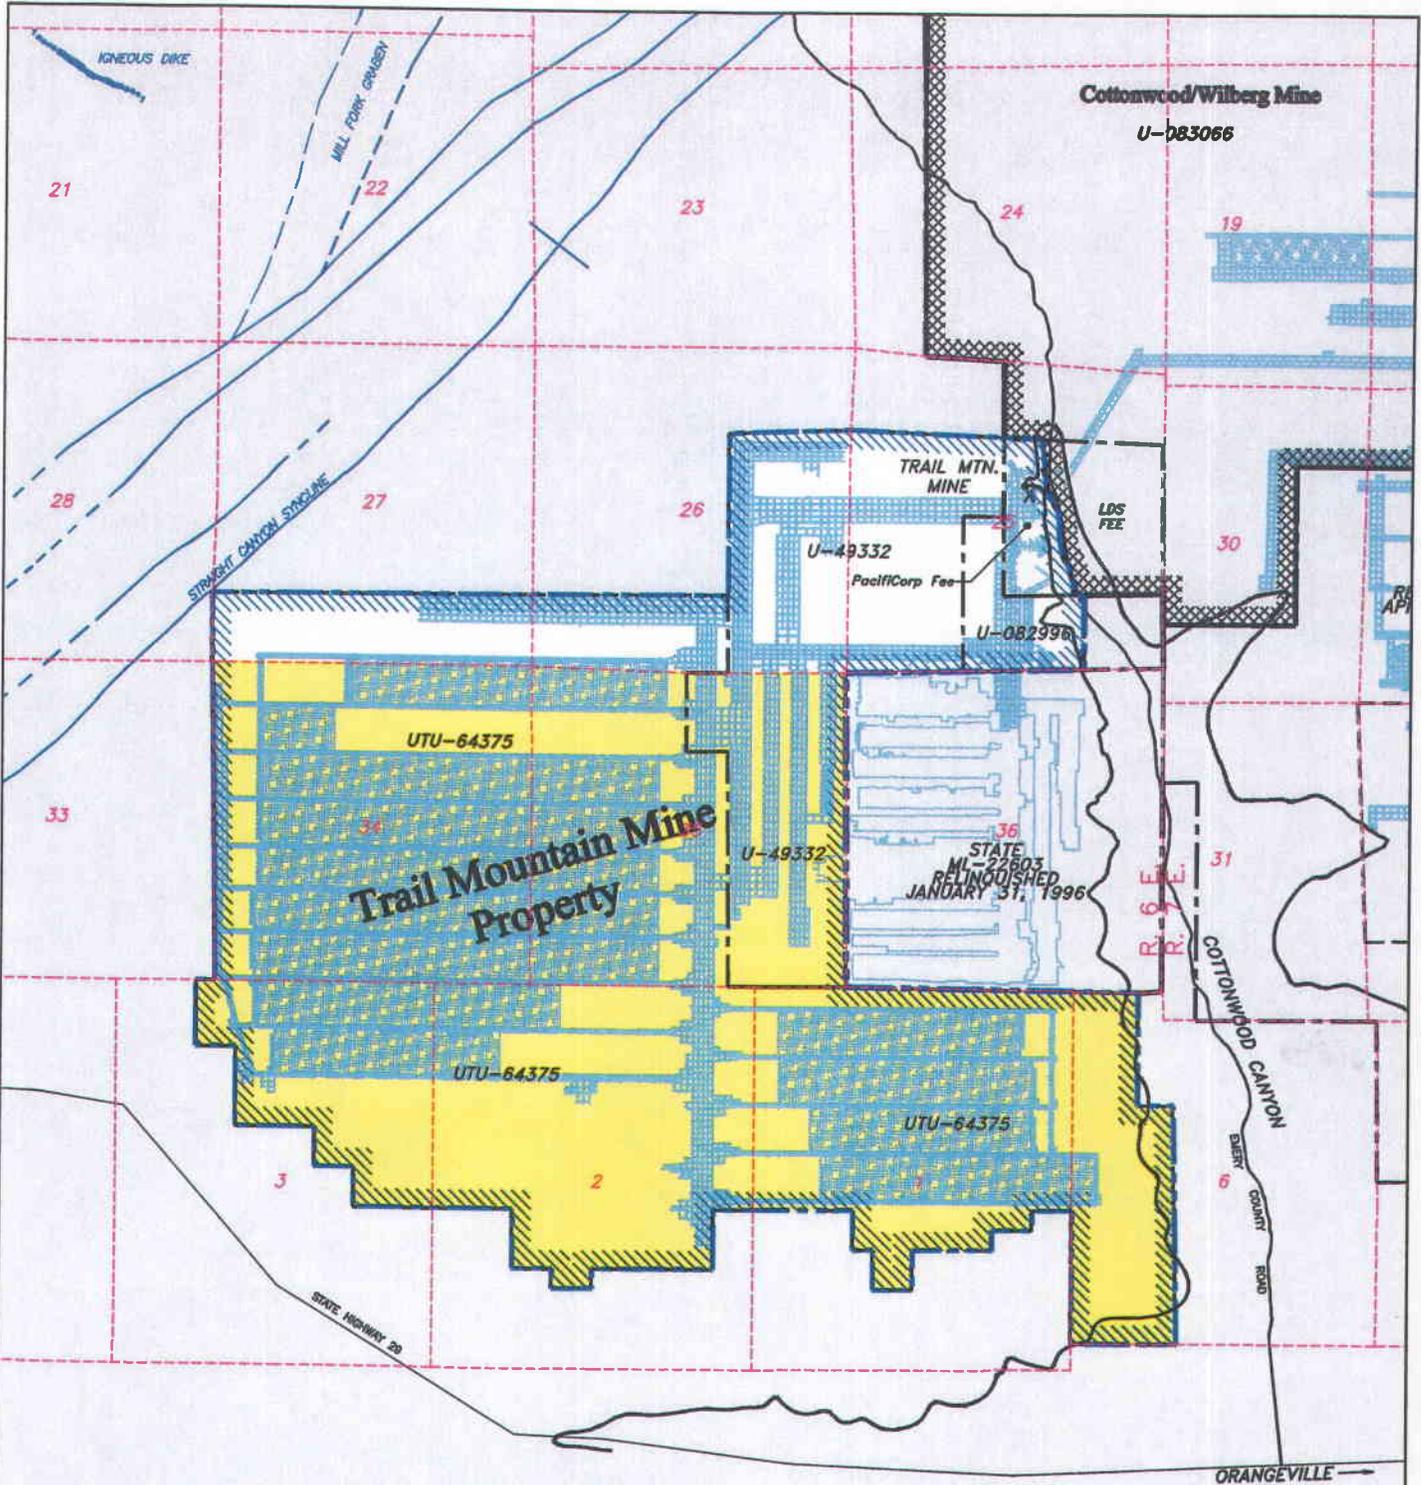

Scott M. Child  
Manager, Lands & Regulatory Affairs
