Subject: Trail Mountain Bond

We received the Reclamation Bond Increase Rider for the Trail Mountain Mine. While reviewing the documents, I noticed that Exhibit "D" (Stipulation to Revise Reclamation Agreement) has a check mark next to the option to Replace Exhibit "B" - bonding agreement. Since we are simply adding a rider to the existing bonding agreement - I would like to add a comment to Exhibit "D" clarifying that we are not replacing the bonding agreement, but rather adding a rider to the existing agreement. With your permission - I will make this change to the document.

Thank you,
Angela
