Subj: Permit Renewal for the Trail Mountain Mine, C/015/009, Emery County, Utah.

PacifiCorp, by and through its wholly-owned subsidiary Energy West Mining Company ("Energy West"), as mine operator, hereby submits an application for permit renewal for the Trail Mountain Coal Mine, permit number C/015/009, for the new upcoming five year term. The existing term expires February 21, 2010.

The application requirements and procedures will follow Utah Coal Regulations R645-303-230 through R645-303-232.500. The Trail Mountain Mine is currently in temporary cessation and has been in this condition since May, 2001. There have been no significant permit changes made to the MRP since the mid-term review in July, 2008. Officer and Director lists have been updated to reflect current status of our corporate structure. These changes were included with the submittal of the Supplemental Volume - Legal and Financial Section (Incorporated September 17, 2009).

Included with this submittal are evidence of liability insurance, evidence of current performance bond, and a copy of the proposed newspaper notice. If you have any questions or concerns regarding this application submittal, please contact Dennis Oakley at 435-687-4825.

Sincerely,
