To All Coal Mine Operators

Subject: Submittal of Annual Report for 2008, Outgoing File

Dear Mine Operator:

This letter is to remind you to submit an Annual Report for 2008, for your coal mining and reclamation operations. Enclosed, please find an updated 2008 Annual Report form for your use. This single document is to be used by the operator, the inspector, and the DOGM staff. Our inspectors will also use this form to document their review of the annual report. This 2008 Annual Report document is being sent in a format that is compatible with most word-processing programs, and you should be able to open the file and enter your information directly into the form electronically. When completed, it can be submitted to the Division electronically. If for some reason you cannot make use of this electronic format, please fill out two hard copies and mail them to the Division at:

Utah Division of Oil, Gas and Mining
1594 W. North Temple, Suite 1210
Post Office Box 145801
Salt Lake City, Utah 84114-5801.

The 2008 Annual Report form includes entries for regulatory requirements, such as annual impoundment certification; however, many Mining and Reclamation Plans include unique, mine-specific commitments that also must be reported annually. Please be sure to submit the following items as part of the 2008 Annual Report:

1) Raptor and archeology reports stamped as confidential and in a separate folder stamped confidential (R645-300-124.300);
2) Mine map identifying mining in 2008 as well as the mining proposed for the next five years [PE Certified] (R645-301-512 and R645-301-521); and
3) Notices of Proposed Mining (if any) sent to water conservancy districts and all owners and occupants of surface property above the underground workings (R645-525.700).
4) Annual impoundment certifications (R645-301-514.300)

Any confidential information should be submitted in a separate folder marked "Ann
