**RE: Request for Reclamation Bond Decrease to Trail Mountain Mine Permit  
C/015/0009, Task ID # 4197**

Dear Mr. Haddock:

On behalf of PacifiCorp, we hereby request to formally reduce the Trail Mountain Mine permit surety bond in accordance with your letter dated October 2, 2012, where you've approved the updated reclamation bonding calculations with respect to the Trail Mountain Mine surface support site. The present surety bond in place for the Trail Mountain Mine permit is in the amount of \$1,354,000. With your approval of the new bond calculation, we now wish to proceed with formally submitting a decrease rider bond reducing the bond in the amount of \$532,000 from \$1,354,000 to \$822,000. Please advise if we can now move forward and secure the necessary decrease rider bond to reflect the new bond amount of \$822,000.

Should you have any questions or need any additional information, please feel free to contact myself at 435-687-4712 or Scott Child at 801-220-4612.

Sincerely,

  
Ken Fleck
