Re: UDOGM Permit Transfer from PacifiCorp to Fossil Rock Resources, LLC, Fossil Rock Mine, C/015/0009, Fossil Rock Resources, LLC

Dear Sirs:

The Trail Mountain Mine and Waste Rock Site facilities have been sold by PacifiCorp to Fossil Rock Resources, LLC. The mine and associated facilities have been renamed the Fossil Rock Mine under the new ownership. In the near future, the permit documents where possible will be corrected to reflect the new name of the mine facilities. Historic information will retain the name of the permittee at the time of the event. An errata sheet has been prepared for incorporation into the existing permit to clarify the names referenced in the existing permit to the corresponding name of the new responsible party (Fossil Rock Mine and/or Fossil Rock Resources, LLC).

According to R645-303-300 the following information is required for the permit to be transferred.

The name and address of the existing permittee is:

PacifiCorp
Energy West Mining Company
15 North Main Street
Huntington, UT 84528

Permit Number C/015/0009 for Trail Mountain Mine and the associated Waste Rock Site is to be transferred from PacifiCorp/Energy West Mining Company to Fossil Rock Resources, LLC (Fossil Rock Mine).

The legal, financial, compliance and related information has been provided in the attached copy of Canyon Fuel Company, LLC's "General Chapter One" and Reclamation Agreement as an amendment for incorporation into the permit.

An advertisement has been written, reviewed by the Division and placed with the local newspaper to run on September 8, 2015, a copy is attached to this letter. A proof of publication will be forwarded to the Division once it is received from the newspaper.

A performance bond has been secured and is being submitted under separate cover for acceptance and approval by the Division, as an amendment.

Enclosed with this letter are the following amendments to the C/015/0009 UDOGM Coal Mining Permit:

Errata Sheet Pertaining to Proposed Transfer of Permit From PacifiCorp to Fossil Rock Resources, LLC

This sheet is to be placed at the beginning of Chapters 1 thru 12 of the Trail Mountain Permit C/015/0009, the associated binders containing appendices, tables, figures, drawings, maps and to remain until such time that the permit is transferred and amended to reflect the information for the new permittee, Fossil Rock Resources, LLC (Fossil Rock Mine). This sheet is to be placed in the Waste Rock Site binder at the beginning of sections containing text, appendices and maps.

The facilities have changed hands multiple times, which means there are various references in the text, reports, studies, right-of-ways, leases and laboratory analyses which refer to the company owning or operating the mine facilities during a specific period of time. To provide clarification the following table lists the various names used through the life of the permit (to the best of our knowledge) and what entity under the new ownership those references will refer to.
