RE: Request for Informal Hearing with the Assigned Assessment Officer in the Matter of NOV #21173

Dear Ms. Dean:

Bowie Resource Partners, LLC (BRP), on behalf of its subsidiary Fossil Rock Resources, LLC (FRR), request an informal hearing with the assigned hearing officer to address Notice of Violation (NOV) #21173 issued by the Utah Division of Oil, Gas and Mining to the Fossil Rock Mine concerning certain maintenance issues at the mine's waste rock area. The NOV was written on April 14, 2016 and an electronic copy was received by BRP via email that same day. The actual NOV document was delivered to BRP several days later by registered mail.

We appreciate your attention to this matter and look forward to meeting with you soon.

Sincerely,

Richard Parkins
General Manager
