Subject: Conditional Approval of Abatement Action for Citation #21173, Canyon Fuel Company, Fossil Rock Mine, C/015/009, Task ID#5265

Dear Mr. Parkins:

The above-referenced amendment is approved conditioned upon receipt of 2 clean copies prepared for incorporation and upon correcting a pagination error on the C1-C2 form and within the MRP. The C1-C2 form requests Page 10 in Chapter 7 be replaced, but there is no Page 10 in the MRP. This error inadvertently omits 'R645-301-753 Impoundments and Discharge Structures' from the text. This text must be re-inserted into the clean copies provided. Please submit these copies by October 27, 2016. Once we receive these copies, final approval will be granted.

A stamped incorporated copy of the approved plans will also be returned to you at that time, for insertion into your copy of the Mining and Reclamation Plan.

If you have any questions, please call me at (801) 538-5350 or Keenan Storrar at (801)538-5345.

Sincerely,

Steve Christensen
Permit Supervisor
