Identification of Interest

Analysis:

The application does not meet the State of Utah requirements for R645-301-112 Identification of Interest.

The application includes an address and telephone number change for Fossil Rock Resources, LLC formerly Grand Junction Colorado to: 9815 South Monroe Street, Suite 203, Sandy, Utah 84070 (801) 695-9107. The General Contents identifies James Grech as the contact person and person who will pay abandoned mine reclamation fees, replacing Eugene E. DiClaudio who was released on 7/16/18. Appendix 2-1 was updated to reflect the appointment date (7/16/18) of James Grech as CEO and Marc Maglione (9/12/18) as CFO. The above-noted information was entered into the Applicant Violator System. An Evaluation of permit C/015/0009 was generated on 12/21/18 retrieving 17 violations in the system. Violations 1-17 are under Island Creek settlement.

The application incorrectly identifies the name change of Bowie Resource Partners, LLC to Wolverine Fuels, LLC. The correct name change of Bowie Resource Partners, LLC is Wolverine Fuels Holding, LLC. The application should be revised accordingly.
