Mine Engineer
Consolidation Coal Company
P.O. Box 527
Emery, UT. 84522

Dear Mr. Hughes:

In response to your letter of the 30th of June 1978, the Division concurs with your understanding of how future mining and reclamation of State Coal Leases ML-25005 and ML-19797 should commence with the following exceptions:

1. The Mining and Reclamation Plan submitted over Ms. Patricia Smith's signature on the 22nd of June 1977, is the plan applicable to the mining of these leases, and;
2. The Mining and Reclamation Plan mentioned above is subject to "upgrading" pursuant to the Underground Mining Performance Standards of P.L. 95-87.

Please contact us if you need any clarification on this position.

Very truly yours,

Ronald W. Daniels
