Monitoring Plan for the Emery Mine ACT/015/015

Dear Mr. Daniels:

We are hereby providing our approval of the surface and ground water monitoring plan proposed by Consolidated Coal Company for the Emery Mine. The approval is subject to any additional stipulations provided by the Geological Survey or the Bureau of Land Management. This plan was submitted in correspondence from Consolidated Coal to Mr. Thompson of your staff, dated July 6, 1979.

Please keep us informed as to Consol's progress in taking over the operation of the gaging stations and the ground water monitoring wells from the Geological Survey.

Sincerely,

DONALD A. CRANE
