RE: Emery Deep Mine
Sediment Pond Design
ACT/015/015

Dear Mr. O'Conner:

The Division has reviewed Consolidation Coal Company's most recent submittals concerning the two sediment ponds for the Emery Deep Mine. The Division is satisfied with the plans and the Division approves the construction of the facilities with the following stipulations:

1. A construction permit is obtained from the Division of Health before construction begins.
2. Embankments will be seeded with 8 pounds/acre Crested wheatgrass, 5 pounds/acre Alkali sacaton, and 5 pounds/acre Ryegrass upon completion of construction.

Mr. Tim O'Conner
April 16, 1979
Page Two

3. The Division be notified when construction begins and when construction is completed.

By copying this letter to the agencies listed, they are informed of this action.

Sincerely,

K. Michael Thompson
