Dear Mary Ann:

With reference to your letter of June 5, 1980, to Mr. Luther of Consolidation Coal Co., please ensure that cultural resource investigations for the area proposed to be disturbed are submitted by Consolidation to this office. If sites are found, adequate review and processing time will be required. If the area is already disturbed, please ensure the operator properly explains prior disturbance in the context of effect on archeological and cultural resources. Please also have information on the location and extent of the proposed disturbance sent to this office.

Thank you for keeping us informed of the pending action.

Sincerely,

John E. Hardaway, Chief
Technical Analysis & Research
