RE: Hydrology Reporting

Dear Mr. Holbrook:

The Division acknowledges the receipt of two copies of the Detailed Hydrology Report for the Emery Mine near Emery, Utah.

As you requested in your letter, two copies of the monitoring reports should be sent to this office and one copy should be sent to the Office of Surface Mining. Also to be sent are those copies of the N.P.D.E.S. reports which are not covered by the monitoring reports.

The Division staff will review the reports and contact you should any comments arise.

Sincerely,

THOMAS J. SUCHOSKI  
RECLAMATION HYDROLOGIST
