RE: Pre-Design Consultation
Consolidation Coal Company

Dear Mr. Day:

Thank you for the response to our consultation request of November 27, 1979 from Mr. Larry Wilson dated January 9, 1980. However, this response is untimely since we have yet to set up a field tour of the site as set forth in our letter.

The Division of Oil, Gas and Mining is still proceeding with the consultation as explained in our November 27, 1979 letter to you. We will contact the Division of Wildlife Resources when the proper Consolidation Coal Company representative is free to provide the site tour.

Sincerely,

MARY ANN WRIGHT
RECLAMATION BIOLOGIST
