DIVISION OF  
OIL, GAS, AND MINING

Memorandum

To: Regional Director, Office of Surface Mining, Denver  
From: District Mining Supervisor  
Subject: Consolidation Coal Company Emery Mine, Emery County,  
Utah, USGS 211 Regulations Cross Reference Index to  
Mining and Reclamation Plan

The subject cross-reference index was forwarded to this office from the State Division of Oil, Gas, and Mining (DOGM). The document was received in this office on October 5, 1981, and has been checked against our review dated June 22, 1981, for completeness and technical adequacy of the 12-volume mining and reclamation plan.

The cross-reference index fills the requirements of comment No. 1., of our June 22, 1981, memorandum. The remaining comments in the June 22, 1981, letter must be addressed before we can concur with the mining plan.
