RE: Consolidation Coal Co.  
Miner Modification  
Emery Deep Mine  
ACT/015/015  
Emery County, Utah

Dear Mrs. Lindsey:

On September 11, 1981, Consolidation Coal Co. (Consol) submitted plans to the Division to reconstruct the access road to their borehole pump. The Division granted approval for this minor modification on October 1, 1981, with five stipulations. Correspondence between Consol and the Division has satisfied the stipulations of the approval letter.

Contained herein is a copy of the reconstruction plan and the correspondence between Consol and the Division. Should you find any problems, please contact Sally Kefer or Lynn Kunzler of my staff.

Sincerely,

  
JAMES W. SMITH, JR.  
COORDINATOR
