RE: Borehole Pump Access Road
Emery Deep Mine
ACT/015/015
Emery County, Utah

Dear Ms. Ormiston:

On October 1, 1981, the Division granted approval for Consol to reconstruct the Borehole Pump Access Road according to the plan submitted on September 11, 1981, and the stipulations attached to the approval correspondence.

After reviewing the additional information submitted to the Division on October 12, 1981, and November 23, 1981, the Division finds that all the stipulations concerning the reconstruction plan for the Borehole Pump Access Road have been adequately addressed.

It is the Division's understanding that the reclamation plan for the road is for permanent reclamation.

Should there be any problems, please contact myself or Sally Kefer.

Sincerely,

LYNN M. KUNZLER
RECLAMATION BIOLOGIST
