RE: Use of Borrow Material

Dear Mr. Drummond:

Pursuant to your letter of March 30, 1982, requesting the use of excess borrow material generated for riprap along existing stream courses, you are hereby granted permission to use the excess material for riprap in future projects at Consol's Emery Mine.

Should any questions arise, please call me. Thank you.

Sincerely,

A handwritten signature in cursive script, appearing to read "David" followed by a flourish.

JOSEPH C. HELFRICH  
FIELD SUPERVISOR
