RE: Administrative Completeness Review of the Permanent Program  
Permit - Emery Mine

Dear Mr. Smith:

This letter is in response to your letter to Mr. Ron Hughes dated December 6, 1982. In this letter you requested a written response addressing the following portions of the application:

1. 783.21 Soil Resource Information
2. 784.17 Protection of Public Parks & Historic Places
3. 784.22 Diversions

These items were discussed with Mr. Ev Hooper of your staff during a telephone conversation on January 14, 1983. It was decided that we would reference the portion of the application dealing with these items. These sections would be reviewed by your staff and we would then furnish any additional information necessary for the in-depth Apparent Completeness Review to be conducted. The items are referenced as follows:

| <u>Regulation</u> | <u>Title</u>                                   | <u>Application Reference</u>                                      |
