RE: Technical Review Response
Emery Deep Mine
ACT/015/015, Folder No. 2
Emery County, Utah

Dear John:

Enclosed please find Consol's response to the technical issues raised during the last review. Hopefully this material will be sufficient for you to complete a Draft Technical Analysis (TA) on the Mining and Reclamation Plan for the Emery Deep Mine. Please send us the appropriate number of copies of the Draft TA prior to December 16, 1983.

Should you have any questions, please don't hesitate to call.

Sincerely,
