RE: Apparent Completeness Review
Consolidation Coal Company
Emery Deep Mine
ACT/015/015
Folder #2
Emery County, Utah

Dear Mr. Klein:

Enclosed please find a copy of the Division's Apparent Completeness Review (ACR) for Consol's Emery Deep Mine. The ACR was performed under contract with the Division by Blowest and Richardson Associates of Denver. This review incorporates those comments in OSM's October 5, 1981 ACR which was performed by Fred C. Hart Associates, Inc.

The operator has been requested to respond to the ACR on or before August 19, 1983, to allow the Division to maintain the review schedule and meet the permitting deadline.

Should you have any questions, regarding this ACR, please don't hesitate to call myself or Lynn Kunzler of my staff.

Sincerely,

JAMES W. SMITH JR.
